

Happy Mothers Day!

There are times when only a Mother's love
Can understand our tears,
Can soothe our disappointments
And calm all of our fears.

There are times when only a Mother's love
Can share the joy we feel,
When something we've dreamed about
Quite suddenly comes true.

There are times when only a Mother's faith
Can help us on life's way
And inspire in us the faith in God
We need from day to day.

For a Mother's heart and a Mother's faith
And a Mother's steadfast love
Were fashioned by angels
And sent from God above.
