THE LIFE OF

## *Mildred (Millie) Ann Tyler Espinosa*

Surrounded by family and friends on the evening of November 13<sup>th</sup>, 2025, Millie passed away at Holy Rosary Hospital in Miles City, Montana.

Millie was born in Miles City on December 20<sup>th</sup>, 1934, the oldest of four children, from parents Fred "Pat" Tyler and Martha (Martelle) Tyler. Millie attended school in Miles City where she met the love of her life Kenneth (Kenny) Espinosa. They were married on January 2<sup>nd</sup>, 1953, celebrating nearly 73 years as a loving couple. This beautiful union resulted in seven children.

A devoted mother, she poured her heart into raising her children, always offering guidance, support, and unconditional love. She grew a large garden, raised chickens, and sewed a sizable portion of her children's clothes, lovingly contributing to the needs of a large family. In 1974 she and Kenny, along with their son Leonard, started E Squared Concrete Construction where Millie did the bookkeeping for 41 years.

Millie spent 66 years getting to know her creator, Jehovah. One of her goals in life was to always use Bible principles to guide her choices. She was an amazing example that her family and friends strive to follow. She lived life fully, embracing adventures both near and far, and approached each day with grace, humor, and a generous spirit. Known for her kindness, strength, and a loving nature she touched the lives of everyone who had the privilege to know her.

Her home was a gathering place filled with warmth, joy, and family traditions that will continue to inspire generations. After the children were grown, Kenny and Millie began traveling together. Their trips to Alaska and Mexico were always a fun topic whenever the family gathered at Grandma & Grandpa's house.

Kenny and Millie were partners in every adventure they shared. Together they built a beautiful life, finding joy in every season and for any reason. She was the heart of her family, and nothing made her happier than spending time with them. She cherished every moment as a mother, grandmother, great grandmother, or great-great grandmother.

Mildred was preceded in death by her parents; her sisters Pearl (Tyler) Kiel and Nellie (Tyler) Shipman; a grandson Joshua Kenneth Espinosa; and son-in-law Craig Rehm. She is survived by her husband Kenneth; her brother Tom (Judy) Tyler; her children Phlien (Ron) Wilkinson, Kenneth "Steve" (Alice) Espinosa, Delbert (Melanie) Espinosa, Leonard (Lynne) Espinosa, Darla Rehm (Kevin Hart), William (Ann Marie) Espinosa, and Deanna Espinosa (Chad Bohlmann). She is also survived by 15 of her grandchildren, 36 great grandchildren, and 4 (2 on the way) great-great grandchildren.
